Romans 8:16-25

Wait

To remain inactive or in a state of repose, as until something expected happens

To look forward to eagerly

To continue as one is in expectation of; await

To postpone or delay in expectation.

Eager

Keen or ardent in desire or feeling; impatiently longing

Characterized by or revealing great earnestness

To Eagerly Wait

To eagerly wait is in an oxymoron. It's a paradox.

It is to wait with excitement, peace, and joy. Not waiting in frustration, but waiting in hope and joy.

What are we waiting for?

What's Worth Waiting For?

Romans 8:23

What other things do we need to wait for throughout our lives?

What is God telling you to wait for?

Are You Willing to Wait?
